These activities include but are not limited to the use of power tools, such as saws and drills, as well as the use of hand tools. The foregoing activities will also require climbing with and without supplies, tools and materials, as well as working in high places, such as on roof tops, and other facets of construction work.

During free time and during teambuilding activities, volunteers may engage in activities which are self-sponsored as well as those directed by Beyond Sunday Mission. These activities include but are not limited to: hiking, swimming, basketball, volleyball, tenniball, Frisbee or other sport activities. There will also be planned evening activities, which may include but are not limited to visiting Coo's Canyon, hiking Mt. Tumbledown, or visiting other places of regional interest.
